**AMENDED BOARD ORDER FOR
REINSTATEMENT AND SUSPENSION**

10 On August 11, 2004, Bradley S. Koonse ("Respondent") petitioned the Arizona State
11 Board of Pharmacy ("Board") for the reinstatement of his pharmacy license, number 11273, to
12 practice pharmacy in the State of Arizona.

13 Previously, Respondent had knowingly, intelligently, and voluntarily entered into a
14 consent agreement with the Board to revoke his pharmacy license, number 11273. The
15 revocation of his pharmacy license became effective on January 14, 2004. Respondent admitted
16 in his consent agreement that he failed to abide by the terms and conditions of the Pharmacists
17 Assisting Pharmacists of Arizona ("PAPA") program, which is a substance addiction treatment
18 program.

19 At the August 11, 2004 meeting, the Board questioned Respondent and Ms. Lisa Yates of
20 the PAPA program. Under A.R.S. § 32-1928(D), the Board decided to immediately reinstate
21 Respondent's revoked pharmacy license as a **SUSPENDED** license. Moreover, the Board
22 informed Respondent that he could re-appear before them and petition that his license suspension
23 be removed, but the Board has complete and sole discretion in determining what restrictions
24 and/or conditions, if any, may be imposed on Respondent's **SUSPENDED** pharmacy license.
